

Tour the Arcata Airport Microgrid!

RESU is coordinating a tour of the new Arcata airport microgrid for Humboldt students on Friday, May 6th at 11am.

Come take a study break from all your presentations and projects as you transition into finals week!

To sign up please email resu@humboldt.edu by Tuesday, May 3 at midnight.

Students should carpool for this trip. Please contact us if you would like to go but cannot find a carpool.
